

WHY JAMES SUCKLING WINE CENTRAL?

Opened in October 2018, this wine bar has always been for all of us. It's for people who love wine and want to experience great wine. It's an extension of all the Great Wines events I organize around the world including in Hong Kong, Beijing, Shanghai, Seoul, Bangkok, New York, San Francisco, Miami, Dallas, Chicago and Los Angeles. It takes JamesSuckling.com offline and brings to life our travels across the winegrowing world showcasing just a select few of the more than 35,000 wines we rate and hundreds of wineries we visit each year.

James Suckling Wine Central is a place to share an outstanding glass of wine, whether a prized rare bottle or an affordable, unusual find. It's a place where the wine novice should feel as comfortable as the wine connoisseur, because drinking wine is fun and doesn't have to be pretentious or nerve-wracking. And you can always count on the quality of the wines here as only those we scored 90 points or more are selected for the list.

For me, this wine bar is the embodiment of my career as a wine critic for the past four decades. It's a physical extension of my experience and love for writing, reviewing and drinking hundreds of thousands of wines, and it's the dream of my dear wife, Marie, who left her native Korea to work as a wine merchant for 15 years in London and Hong Kong before joining me in my endeavors.

Marie and I hope you enjoy the wines on the list with hundreds available by the glass thanks to the Coravin preservation system. Enjoy my Lalique glasses too; I designed them myself with France's famous crystal maker. Thanks for being here!

ORGANIC, BIODYNAMIC

We at James Suckling Wine Central are concerned with the environment, so there's nothing we like better than finding great wines produced from organic and biodynamic vineyards. The bottom line is that they don't use chemicals in the vineyards and the producers have the utmost care and respect for their ecosystems. We think that the wines often reflect this special care and energy. We also enjoy finding wines successfully made with low or no added sulfur. Please enjoy these beautiful wines.

COGNACS

Our Great Hand-Made Cognacs

You already may have heard of the Tesserons. They are the owners of the famous Bordeaux estate of Chateau Pontet-Canet. They also recently bought a vineyard in Napa called Pym-Rae. Their wines are extremely well-made, and they come from biodynamically-farmed vineyards. What you may not know is that the family is originally from the region of Cognac, and they still have family vineyards in the areas of Grande and Petite Champagne. It's there that their exquisite Tesseron Cognacs originate. And we now serve them exclusive at James Suckling Wine Central.

Check out James's tasting notes below for the Tesseron Cognacs we offer, when he conducted a tasting a few years ago at the Tesseron Cellars in Cognac. The 30ml proportions are served in James's 100-point Lalique Cognac glass that he designed while visiting the region years ago.
